

CHARLOTTE COUNTY GREEN DOT

Fall 2018

Upcoming Trainings:

January - Date/Venue TBD

Email chris.hall@carefl.org for details

What has Green Dot been up to?

The Charlotte County Green Dot team is working hard to promote culture change in our community. We have attended many events with other organizations and hosted several of our own as well. With October being Domestic Violence Awareness Month, the team participated in events hosted by C.A.R.E. in a united effort to raise awareness. We were even interviewed for a live segment on Fox News 4! Members of the Rotonda West Women's Club (GFWC) participated in an Active Bystander Training to learn what they can do to help as they stand against domestic violence. Green Dot attended the Walk Like MADD event at beautiful JetBlue Park in Ft. Myers and conducted overview speeches all over the county, including at the Justice Center in Punta Gorda. We are preparing for even more overview speech opportunities already scheduled throughout the rest of the year. We are excited about an active holiday season!

NEW! We want to hear from YOU! We are reaching out to everyone who is familiar with what we do and how we do it and asking them to share their Proactive and Reactive moments with us. There will be a prize given to one person each month just for telling us about it! Share your Green Dots with us through email, Facebook, call or text! As an added bonus, a member of our team will bring the prize to you and interview you to be featured in the next newsletter.

We hope you all have a safe and cool fall as we head into the holidays. Let's embrace this time to make our community safer!

**No one has to do everything, but everyone can do *something* to make our community safer.
Let us show you how easy it is to make it less likely that violence occurs.**
